

## ⇒ K-Means Binning :-

"K-Means binning ma continuous values ne clusters ma group karne ne natural, similarity-based bins banava ma aave che instead of fixed intervals."

## \* How to Handle Mixed Variables:- (Day-33)

→ Simply jyare tamara data koi ava form me che keh B6, D4, A1, C11, ... So ame categorical values pan che are numeric pan so aane handle karvu agru thai jai. So apde cne 2 columns are divide koi dusi. like ek categorical and biji numerical

	Cat.	Num.
B6	B	6
D4	D	4
A1	A	1

	Cat	Num.
B	B	NA
A	A	NA
1	NA	1
2	NA	2
